Dear Ms. Garcia,

No, I am not afraid, haven't been, have no reason to be.

What is to be feared is the state of the nation if everyone is afraid.

And as you will see to a very limited degree in IV, I'm suing the FBI and the CIA and have been doing it for years.

There is more of the transcript I use on pp. 139-40. The top of 139 states that I use only an excerpt. In all those transcripts are a stack about 3" thick.

Sorry to say I do not know where you can get a set of the 26. However, I believe you can get access to a library set in Austin, if nowhere else in the Texas State Archive.

I enclose a list of the other books in the event you want any.

Thanks and best wishes,
